

2019 OUTBACK

The Subaru Outback. **Built to take you to the place you've never been.**

Adventure has no address.

In the 2019 Outback, anywhere is closer than you think. It’s built to minimize limits and maximize versatility, durability¹ and all-around safety. This means you can explore that new destination you have in mind, take the scenic route, and go without hesitation.

The Subaru Outback. Built to take you to the place you’ve never been.

Capable

To keep you exploring, the SUBARU BOXER® engine and Lineartronic® CVT (Continuously Variable Transmission) give you up to 32 highway MPG.² With standard Subaru Symmetrical All-Wheel Drive, X-MODE® with Hill Descent Control and 8.7 inches of ground clearance, you’ll never fear the road less paved.

Refined

Delivering comfort to long drives, the Outback offers a quiet, spacious interior crafted from high-quality materials. The experience is further enhanced by SUBARU STARLINK™ Multimedia with standard Apple CarPlay™ and Android™ Auto integration, connecting you to the possibilities ahead.

Versatile

With standard 60/40-split flat-folding rear seats, a surprisingly spacious 108.1 cu. ft. interior,³ a gear-ready fold-out roof rack⁴ and an available Power Rear Gate, the Outback is built to help you get out there. Just pack up and go.

Safe

Every Outback now includes standard EyeSight® Driver Assist Technology⁵ with Pre-Collision Braking, which can help bring you to a full stop if necessary. You can also opt for a number of available safety features, including Blind-Spot Detection,⁶ Rear Cross-Traffic Alert⁶ and Reverse Automatic Braking (RAB).⁷ And a standard Rear-Vision Camera can help you see what’s behind you as you’re backing up.

1 Based on IHS Markit vehicles in operation for the Non-Luxury Midsize CUV segment as of December 2017 for MY2008–2017 vs. total new registrations of those vehicles. 2 EPA-estimated fuel economy for 2019 Outback 2.5i at 32 highway MPG. Actual mileage may vary. 3 Without available moonroof. 4 Not available on Touring models. 5 EyeSight is a driver assist technology, which may not operate optimally under all driving conditions. The driver is always responsible for safe and attentive driving. System effectiveness depends on many factors such as vehicle maintenance, weather and road conditions. See Owner’s Manual for complete details on system operations and limitations. 6 Blind-Spot Detection, Lane Change Assist and Rear Cross-Traffic Alert are systems designed to assist the driver by monitoring the rear and side areas of the vehicle during a lane change or reversing and are not a substitute for safe and attentive driving. 7 The Reverse Automatic Braking System is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as vehicle maintenance, weather and road conditions. Always exercise caution and use vehicle mirrors and the Rear-Vision Camera when backing up. See Owner’s Manual for complete details on system operation and limitations.

Outback 3.6R Limited in Crystal White Pearl with optional and accessory equipment. Some accessories shown are no longer available through Subaru. Visit your Subaru retailer for current optional and available accessories.

Versatile and Capable

Standard Subaru Symmetrical All-Wheel Drive and 8.7 inches of ground clearance give the Outback the capability to get you just about anywhere. Thanks to its versatile and spacious cargo area, you can pack up and head out in no time. The available height-adjustable Power Rear Gate simplifies loading and unloading by opening with a simple push of a button on your key fob, rear gate or dashboard, while one-touch folding rear seats can easily be adjusted to make room for your longer items.

The most fuel-efficient vehicle in its class.¹

Whether you go with the responsive 32 highway MPG² 2.5-liter SUBARU BOXER[®] engine or the smooth and powerful 256-horsepower 6-cylinder 3.6R, the Outback is ready to go the distance, no matter the destination.

¹ Based on the EPA Combined City/Highway estimate of fuel economy for 2018 year model vehicles within the Non-Luxury Midsize Utility segment. Segment definition supplied by IHS Markit. ² EPA-estimated fuel economy for 2019 Outback 2.5i at 32 highway MPG. Actual mileage may vary.

Power Rear Gate

One-touch Folding Rear Seats

Stops at nothing.
Except a nice view.

8 12019 Outback

Outback 2.5i Limited in Wilderness Green Metallic with optional and accessory equipment.

Elevate
your surroundings.

Outback Touring Trim

The perfect complement to the outdoors, the interior of the Outback Touring features exclusive Java Brown Leather upholstery with contrast stitching, a heated steering wheel and subtle design accents. It also includes STARLINK™ Multimedia Navigation powered by TomTom®, standard Apple CarPlay™ and Android™ Auto app integration, an easily accessible 8-inch touchscreen and a Harman Kardon® 576-watt-equivalent 12-speaker premium audio system.

Outback 3.6R Touring with Java Brown Leather.

5 | 2019 Outback

An open space for **open plans.**

Outback 3.6R Limited with Warm Ivory Leather and optional equipment.

Step inside the spacious 108.1 cubic-foot cabin¹ of the Outback, and you'll find comfort in every detail, from its high-quality upholstery to its contrast stitching to its especially quiet ride. To keep you connected to your music and apps, the Outback features STARLINK™ Multimedia with standard Apple CarPlay,[™] Android[™] Auto and Pandora[®] integration, as well as an available 8.0-inch touchscreen. And with available dual rear USB ports, even your passengers in back can plug in. Up front, the available 10-way adjustable driver's seat with 2-position memory functions will keep you focused and content, while the supple yet supportive reclining and heated² rear seats with 60/40-folding functionality ensure space for everyone and their cargo.

¹ Without available moonroof. ² Availability varies by trim level. See your retailer for details.

EyeSight® reduces rear-end
crashes with injuries by

85%¹

An extra set of eyes every time you drive.

Every Outback includes standard EyeSight® Driver Assist Technology.²

Pre-Collision Braking

When a driver ahead unexpectedly hits the brakes or cuts you off, EyeSight®² warns you, applies brakes to help avoid impact and, at lower speeds, can even help bring your Outback to a full stop, if necessary.

Adaptive Cruise Control

Traffic doesn't always flow smoothly, so EyeSight® doesn't only keep a set speed. The system looks ahead and helps your Outback automatically adjust to keep your distance, even in stop-and-go traffic.

Lane Departure and Sway Warning with Lane Keep Assist

You accidentally drift to the edge of your lane and begin to cross into another. EyeSight® watches for lane markers and chimes to warn you before you leave your lane, and it can even help steer you back into your proper course, thanks to Lane Keep Assist.

Pre-Collision Throttle Management

This system reduces power to your engine to help you avoid accidentally accelerating into the car in front of you while merging, or if you unintentionally put your Outback in Drive instead of Reverse.

Outback 2.5i Limited in Abyss Blue Pearl with optional equipment.

¹ Based on data from 2013–2015MY Subaru models equipped with EyeSight through 2014. From an Insurance Institute of Highway Safety report published January 2016. ² EyeSight is a driver assist technology, which may not operate optimally under all driving conditions. The driver is always responsible for safe and attentive driving. System effectiveness depends on many factors such as vehicle maintenance, weather and road conditions. See Owner's Manual for complete details on system operations and limitations.

Safe and sound
is what we do best.

Safety that meets the highest expectations.

In terms of safety, the 2019 Outback is one of our proudest achievements. Standard features include a Rear-Vision Camera and eight airbags¹ to help protect you from multiple angles. Available features like Blind-Spot Detection with Lane Change Assist and Rear Cross-Traffic Alert;^{2,3} help warn you of moving danger you don't see coming, while available Reverse Automatic Braking (RAB)^{3,4} can step in to help stop your vehicle should you not see an object behind you when backing up. To help maximize your visibility, LED Steering Responsive Headlights (SRH)³ help you see around corners by pointing the way as you turn, while High Beam Assist (HBA)³ can dim or activate your high beams as needed.

Outback 2.5i Limited in Crystal White Pearl with optional equipment.

Blind-Spot Detection

Using radar sensors, Blind-Spot Detection^{2,3} warns you with a visual indicator in your side mirror if it senses a vehicle in your blind spot. Another feature of this system, Lane Change Assist, alerts you with a flashing indicator in each side mirror if it senses a vehicle approaching in a neighboring lane while you signal for a lane change.

Rear Cross-Traffic Alert

Rear Cross-Traffic Alert^{2,3} uses radar sensors to help warn you of traffic approaching from the side as you are backing up, utilizing a flashing visual indicator in your side mirror and an audible warning.

Reverse Automatic Braking

In addition to the standard Rear-Vision Camera, available Reverse Automatic Braking (RAB) detects objects directly behind your vehicle when backing up at a slow speed and can help bring your Outback to a stop, should an object be detected within its range and the driver fail to act.^{3,4}

SUBARU STARLINK™ Safety and Security

Bringing peace of mind to each drive, STARLINK™ Safety and Security can alert a first responder in an emergency, help police locate your vehicle if it's stolen and more.⁵

1 Always wear seatbelts. Children should be properly restrained in the rear seat. 2 Blind-Spot Detection, Lane Change Assist and Rear Cross-Traffic Alert are systems designed to assist the driver by monitoring the rear and side areas of the vehicle during a lane change or reversing and are not a substitute for safe and attentive driving. 3 Availability varies by trim level. See your retailer. 4 The Reverse Automatic Braking System is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as vehicle maintenance, weather and road conditions. Always exercise caution and use vehicle mirrors and the Rear-Vision Camera when backing up. See Owner's Manual for complete details on system operation and limitations. 5 Activation and required subscription sold separately. Includes 1-year Safety Plus trial subscription.

The Subaru Outback **retains its value better than any other vehicle in its class for 2018**, according to ALG.¹

The Subaru Outback is the **best-selling all-wheel drive crossover (CUV)** in its class for the past 10 years.²

2019 Outback | Models

2.5i

- 175-hp 2.5-liter 4-cylinder SUBARU BOXER® engine
- Subaru Symmetrical All-Wheel Drive with Active Torque Vectoring
- Lineartronic® CVT (Continuously Variable Transmission) with 6-speed manual-mode paddle shifters
- X-MODE® featuring Hill Descent Control (HDC)
- EyeSight® Driver Assist Technology⁷
- 17-inch aluminum-alloy wheels
- SUBARU STARLINK™ 6.5-inch Multimedia Plus with Apple CarPlay,[™] Android[™] Auto, Pandora® and Aha[™] smartphone app integration⁸, STARLINK™ cloud-based applications, SiriusXM® All Access Radio⁹ and Travel Link^{®9}, high-resolution LCD touchscreen display, 4 speakers, AM/FM/CD player, dual USB port/iPod® control, Bluetooth® audio streaming and hands-free phone connectivity, and 3.5-mm auxiliary jack
- Cloth upholstery
- 6-way manually adjustable driver's seat and 4-way manually adjustable front-passenger's seat
- Manually adjustable CFC-free air conditioning system with air filtration
- Driver's auto-up/down power window
- In-dash and cargo area 12-volt power outlets
- Cargo area tray, tie-downs and grocery bag hooks
- Welcome lighting
- Auto-on/off wiper-linked headlights

2.5i Premium

- Includes 2.5i key features and adds:**
- SUBARU STARLINK™ 8.0-inch Multimedia Plus with Apple CarPlay,[™] Android[™] Auto, Pandora® and Aha[™] smartphone app integration⁸, STARLINK™ cloud-based applications, SiriusXM® All Access Radio⁹ and Travel Link^{®9}, high-resolution LCD touchscreen display, 6 speakers, AM/FM/CD player, HD Radio®, dual USB port/iPod® control, Bluetooth® audio streaming and hands-free phone and text messaging connectivity
 - Fog lights
 - 10-way power adjustable driver's seat
 - All-Weather Package: Heated exterior mirrors, 3-mode heated front seats, windshield wiper de-icer
 - Dual-zone automatic climate control system
 - Leather-wrapped steering wheel and shifter handle
 - Front-passenger's auto-up/down power window
 - Auto-dimming rearview compass mirror with HomeLink®
 - STARLINK™ Safety Plus enabled¹⁰: Automatic Collision Notification, SOS Emergency Assistance, Enhanced Roadside Assistance, Maintenance Notifications, Monthly Vehicle Health Report, Diagnostic Alerts

2.5i Limited

- Includes 2.5i Premium key features and adds:**
- Leather-trimmed upholstery with distinctive stitching
 - 10-way power adjustable driver's seat with 2-position memory and 4-way power adjustable front-passenger's seat
 - Blind-Spot Detection with Lane Change Assist and Rear Cross-Traffic Alert¹¹
 - Harman Kardon® premium audio system with 576-watt-equivalent GreenEdge® amplifier and 12 speakers, including center dash speaker and subwoofer
 - 18-inch aluminum-alloy wheels in black with machine finish
 - Keyless Access with Push-Button Start
 - Power Rear Gate with height memory functions
 - All-Weather Package: Heated exterior mirrors, 3-mode heated front seats and dual-mode heated rear seats, windshield wiper de-icer
 - Woodgrain-patterned matte finish accent trim
 - Side mirrors with integrated turn signals

	Lineartronic® HCVT (High-Torque Continuously Variable Transmission) with Adaptive Control, Hill Holder® and 6-speed manual mode with paddle shifters.	—	●
CA Emissions		LEV III/SULEV 30	LEV III/ULEV 125
Maximum Towing Capacity	2,700 lbs. (certain limitations apply)	●	●
Traction and Stability			
All-Wheel Drive type	Subaru Symmetrical All-Wheel Drive	●	●
X-MODE®	X-MODE® optimizes engine output and transmission ratio, increases all-wheel drive system engagement and uses enhanced control of the VDC system to reduce individual wheelspin, providing optimal traction on low-friction surfaces.	●	●
Hill Descent Control (HDC)	X-MODE® also incorporates Hill Descent Control that helps to maintain a constant vehicle speed when traveling downhill, enhancing vehicle control.	●	●
Vehicle Dynamics Control (VDC)	VDC electronic stability control utilizes sensors that constantly monitor wheel speeds, steering angle, brake pressure, vehicle yaw rate and lateral g-forces. If VDC detects a difference between the driver's intended path and the one the vehicle is actually taking, VDC applies braking power and/or reduces engine torque to help correct vehicle path.	●	●
Active Torque Vectoring	Active Torque Vectoring works in tandem with VDC to apply braking power to the inside wheels, resulting in better handling, sharper turn-in, more neutral steering and higher cornering limits when turning.	●	●
Traction Control System (TCS)	VDC also incorporates an all-wheel, all-speed Traction Control System, which senses a loss of traction and applies braking force to the slipping wheel or wheels as necessary to maintain vehicle motion.	●	●

2019 Outback | Specifications

Outback | Accessories

Splash Guards. Help protect the vehicle's paint finish from stones and road grime.

License Plate Frames. At Subaru, pets are part of the family. Share your love for your furry, scaly or feathered friends with our new Pet Lover License Plate Frame. You can also let the world know about your inner explorer with the Adventure Seeker License Plate Frame. Both frames are manufactured from heavy-gauge 304 stainless steel that will not rust or corrode, and come in either matte black or polished stainless steel.

Trailer Hitch. Heavy-duty rated at 2,700 lbs. towing capacity and 200 lbs. tongue weight. Hitch ball not included. Trailer brakes may be needed.

Thule® Portable Step. Get the extra height you need to easily access all of your rooftop lifestyle accessories with the convenience of the Thule® Portable Step. Constructed of heavy-duty steel; rubber bumpers are included to help prevent wheel scrapes and scuffs. This step conveniently folds into a carrying bag for easy storage.

Rear Seatback Protector. Provides additional protection to the rear seatbacks when lowering the seats to transport larger cargo. Use in conjunction with the Cargo Tray for maximum protection.

Body Side Molding. Attractive color-matched moldings coordinate with the styling of the vehicle while helping to protect doors from unsightly dings.

Auto-Dimming Mirror with HomeLink® This upgraded Auto-Dimming Mirror detects glare and darkens automatically to protect your vision while featuring an 8-point digital compass. Three backlit HomeLink® buttons can be programmed to operate most garage doors, security gates, home lighting and more. Can also provide you with the last status of your garage door (open or closed) if programmed to a compatible opener featuring two-way communication.

Remote Engine Starter. Allows vehicle to be started by pushing a button from the convenience of home or office (up to 400 feet away depending on obstructions) so that the vehicle interior is more comfortable upon entry. A/T only.

Not Dimmed

Dimmed

Auto-Dimming Exterior Mirror with Approach Light

Make it easier—and safer—to come and go with the accessory Auto-Dimming Exterior Mirrors with Approach Light.¹

When the doors are opened or unlocked with the key fob, LED lights on the side-view mirrors will help illuminate the way, casting light on all four doors and the ground near the vehicle.

They can also help reduce headlight glare in traffic. When the Auto-Dimming Interior Mirror detects excessive light from the rear of the vehicle, the side-view mirrors automatically dim, helping to keep the glare out of your eyes. The brighter the light, the dimmer the mirrors and the better you'll be able to see.

Moonroof Air Deflector. Helps reduce wind noise and sun glare.

All-Weather Floor Liners. Custom-fitted, high wall design floor liners help protect the vehicle carpet from accidental spills, sand, snow, mud, dirt and moisture. Not intended for use on top of Carpeted Floor Mats.

Side Window Deflectors. Let the fresh air in while helping to keep the weather out. Deflector design includes integrated chrome insert to match window frame trim. Side Window Deflectors may not be legal in all states. Please check the laws of your state.

Door Edge Guards. Help protect your door edges from dings and dents with custom-fit, body-color-matched, stainless steel Door Edge Guards. They are easy to install and preserve the appearance of your Subaru while seamlessly blending into the door design.

Outfit your Outback.

When your passion is even bigger than your cargo area, look no further than our Genuine Subaru active lifestyle accessory attachments manufactured by Thule®. Battle-tested and owner-approved, they'll help you transport gear like bikes, skis, snowboards, kayaks and paddleboards, so your Subaru perfectly complements your active lifestyle.

Thule® Bike Carrier – Fork-Mounted and Roof-Mounted

Thule® Cargo Carrier – Extended

Thule® Kayak Carrier

¹ Auto-Dimming Exterior Mirrors with Approach Light are accessory equipment. Requires Auto-Dimming Interior Mirror.

2019 Outback | Owner Benefits

For additional Subaru resources, including owner's manuals, maintenance schedules, roadside assistance and more, log on to www.mysubaru.com

Protecting Your Investment

Once you're part of our family, we'll be there for you. Every Subaru comes with 24-hour roadside assistance for 3 years or 36,000 miles. If you have trouble on the road, a tow to the nearest Subaru retailer and other services are just a phone call away. And to protect you over the long haul, we offer Added Security®...ask for it by name—extended service agreements and maintenance plans that will help protect your car for up to 10 years or 100,000 miles. They're the only mechanical and maintenance plans backed by Subaru, and because we've been backing them for more than 30 years, they're agreements you can trust. Your retailer has full coverage details.

Subaru Badge of Ownership

Subaru owners are driven by their passions. Whether hiking to see a sunset or skiing through fresh powder. Paddling through rapids or playing fetch with their furry friend. For many, our exclusive Badge of Ownership lets them personalize their vehicle and express their interests. Owners can go to badgeofownership.com to order FREE Subaru Badge of Ownership lifestyle icons.

Durability

Responsible. Reliable. Ready to join the family.

At Subaru, we're committed to building a lasting, rewarding relationship with you and the world we share. We start by building our vehicles to last—in fact, 98% of Subaru Outback vehicles sold in the last 10 years are still on the road today.¹² We also share your desire for a cleaner, greener world. In 2004, Subaru of Indiana Automotive, Inc. (SIA) became the first manufacturing facility in the U.S. to reach zero-landfill status—nothing from its manufacturing efforts ever goes into a landfill. Subaru is also headquartered in a zero-landfill office in Camden, N.J.

Warranties

New Car Limited Warranty	3 years or 36,000 miles, whichever comes first.		
Powertrain Limited Warranty	5 years or 60,000 miles, whichever comes first.		
Wear Item Limited Warranty	3 years or 36,000 miles, whichever comes first. Repairs to the following items will also be covered under Wear Item Limited Warranty:	• Brake Pads • Wiper Blades • Clutch Linings • Transmitter Batteries	
Rust Perforation Limited Warranty	5 years, unlimited mileage.		
24-hour Roadside Assistance	3 years or 36,000 miles, whichever comes first.		

¹ 2019 EPA fuel economy estimates. Actual mileage may vary. ² Available only with other features. See Optional Equipment listing. ³ The glass information listed represents calculated reference values, and may not represent actual values determined by testing. ⁴ Compatible smartphone and applications required. For applications to operate, latest version of each application is required. Data provided by smartphone is displayed on the audio system screen. Some state laws prohibit the operation of handheld electronic devices while operating a vehicle. Smartphone apps should only be launched when vehicle is safely parked. Your wireless carrier's rates may apply. ⁵ Activation and subscription is required. See your retailer for details. ⁶ Activation and required monthly subscription sold separately. Includes 4-month trial subscription. See your retailer. ⁷ Activation and monthly subscription sold separately. Includes 3-year trial subscription. See your retailer. ⁸ EyeSight is a driver assist technology, which may not operate optimally under all driving conditions. The driver is always responsible for safe and attentive driving. System effectiveness depends on many factors such as vehicle maintenance, weather and road conditions. Pre-Collision Braking System is designed to provide automatic braking that either prevents a collision or reduces the severity of a frontal impact. Pre-Collision Throttle Management is designed to reduce acceleration and minimize the severity of certain frontal impacts. Adaptive Cruise Control and Brake Light Recognition are designed to assist the driver and are not substitutes for safe and attentive driving. The Lane Departure and Sway Warning operates only when the lane markings are visible and its effectiveness depends on many factors. See Owner's Manual for complete details on system operation and limitations. ⁹ Blind-Spot Detection, Lane Change Assist and Rear Cross-Traffic Alert are systems designed to assist the driver by monitoring the rear and side areas of the vehicle during a lane change or reversing and are not a substitute for safe and attentive driving. ¹⁰ The Reverse Automatic Braking (RAB) System is designed to assist the driver by detecting objects, to help avoid a possible collision, when the vehicle is moving in a low speed reverse direction. The system will provide automatic vehicle braking, if an obstacle is detected within its range. This system is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as vehicle maintenance, weather and road conditions. Always exercise caution and use vehicle mirrors and the Rear-Vision Camera when backing up. See Owner's Manual for complete details on system operation and limitations. ¹¹ Activation and required subscription sold separately. Includes 1-year trial subscription. See your retailer for details. ¹² The Supplemental Restraint System (SRS) (airbags) affords the driver and the front passenger additional protection in moderate to severe frontal and side-impact collisions and outboard 2nd-row passengers additional protection in moderate to severe side-impact collisions. This system provides supplemental protection only, and seatbelts must be worn in order to avoid injuries to out-of-position occupants upon airbag deployment and to provide the best combined protection in a serious accident. Children should always be properly restrained in one of the rear seats. See Owner's Manual for recommended seating position. ¹³ Based on IHS Markit vehicles in operation for the Non-Luxury Midsize CUV segment as of December 2017 for MY2008–2017 vs. total new registrations of those vehicles.
